

Lime Square opened in 2010, this modern style centre with beautiful mall area is a shopping destination which is putting the heart back into Openshaw District Centre in east Manchester.

It is attracting up to 22,500 customers (to Morrisons) per week. The average weekly car count is 30,000. Lime Square is also home to a weekly Saturday market with twenty market traders pitching along the mall selling a vast array of products.

There are some great stores at Lime Square including an 80,000 sq ft Morrisons and plenty of free parking. Lime Square is also home to the stunning Steamhammer sculpture! With Lime Square sitting at the side of one of the busiest roads in Manchester, it is always pulling in visitors from across the country.
